

## 2018

Gender Training in May 2018 that engaged Ministry of National Development Planning/NCB Chair, Ministry of Environment and Forestry, Wetlands International Indonesia, Detara Foundation and 7 (seven) local NGOs and CBOs from Probolinggo, Situbondo, Indramayu and Banten

## National Coordinating Body (NCB)

The MFF member countries have established a Regional Steering Committee, and each member country has also set up a National Coordinating Body (NCB). In Indonesia, Ministry of National Development Planning/National Development Planning Agency (BAPPENAS) is the focal point of MFF Indonesia as well as the Chairman of NCB Indonesia. Indonesia's NCB consists of Ministry of Marine Affairs and Fisheries (MMAF), Ministry of Environment and Forestry (MoEF), Ministry of Home Affairs (MoHA), United Nation Development Program (UNDP), Wetlands International Indonesia (WII) and a mangrove expert.
